

ANNUAL REPORTS
OF THE
Town of Dunbarton
New Hampshire

For the Fiscal Year Ending
February 15, 1916

Easier communication with Manchester and our constantly improving eyesight service has made the past year our banner year and has also made largely increased facilities in our plant a necessity, especially in our sight-testing department.

We thank our friends in Dunbarton heartily for their part in the good work and promise them any courtesy or consideration in our power.

REPORT OF THE SCHOOL BOARD.

All of the schools have been open for thirty-two weeks this year, which is two weeks longer than last year, consequently there is a natural increase in the running expenses. There has also been some difficulties to adjust at two of the schools, which required extra meetings of the school board; an additional team was necessary to transport pupils to the Burnham Hill school, thus increasing the already too large expense for transportation. We again call your attention to this account, amounting this year to \$553.90, and ask you to come prepared to discuss the subject and see if there is not some way to lessen this expense.

The amount expended for supplies is larger this year than usual. The reading books were in a general worn-out condition, and it was considered best to replace them with a different one, and one more up to date, therefore an entire new line of readers was put in, and the results already obtained seem to the committee to justify this action; four books of reference were also purchased, one for each school.

There has been but one change in teachers this year. Miss LeBonte, who taught at Burnham Hill the spring term, resigned, and her place was filled by Miss Mabel Story. Miss Caldwell, who has been teaching the Center school, has resigned, and it will be necessary to fill her place. Miss Putney and Miss Whipple occupy their respective positions at Montalona and North Dunbarton and are giving satisfaction as usual. It is requested that parents and all interested in the schools will visit the schools more generally, thus affording encouragement alike to teacher and pupil.

W. H. BURNHAM, Chairman.
F. E. GARVIN,
BERTHA H. CONERY,
School Board.

PUBLIC LIBRARY

REPORT OF THE TRUSTEES TO THE CITIZENS OF DUNBARTON.

Your trustees report the purchase of seventy-two (72) new books, fifteen (15) more than last year, and we think more than has ever been bought in any one year since the library was established. We have also bought sixteen (16) views taken at the one hundred and fiftieth anniversary: views of the town house, school house, church, a street looking north, several views of the street parade, the old pond, and the mountains south and west, all pasted in a nice leather-covered book, which, we think, will be of much interest to all. The librarian reports that twelve books have been given by various people, to whom we extend our thanks. Our librarian, having taken a more lucrative position, resigned in October, but we were fortunate in obtaining another one. Our receipts from the town are getting less year by year. This year they were \$13.20 less than they were in 1910, so if you want the library sustained it may be necessary to appropriate more money, and we would recommend that the town at the annual meeting raise \$10 in addition to that raised by law.

Dunbarton, February 15, 1916.

REPORT OF LIBRARIAN.

For the year ending February 15, 1916.

To the Board of Trustees:

I am pleased to report that the library is in a very prosperous condition and rapidly growing. Sixty-three books have been bought for the library and twelve presented by various people, not including the New Hampshire Jour-

nals and Laws, which have been sent to the library. Nine yearly volumes of the Granite Monthly, from nineteen hundred five (1905) to nineteen hundred fifteen (1915), have been added, and the magazines for nineteen hundred fifteen (1915), making a total of one thousand five hundred forty-five (1545) books in the library. Two thousand two hundred sixty-six (2666) books have been taken out this last year and \$1.98 has been taken in fines.

I would again call attention that when a book is re-charged it should be returned to the library at the end of the fifth week instead of the sixth.

Respectfully submitted,
EVA A. HADLEY,
Librarian.
